Thanks Lucita and All

Attached are a few suggestions on the air section.

Lemme know if you need anything else on this document.

Douglas – I have a couple of edits and have included them here in the clean version. Please also incorporate those changes I made in the fact sheet so that these docs are consistent.

Am I correct in thinking that a couple of these air comments were added after Sarah reviewed, and she asked to review once it was put in? Or has she had a chance to review already? She is out until Monday.

**Subject:** Updated Communications Strategy for Dewey Burdock UIC Permits/Aquifer Exemption

Darcy: attached for your review is a final draft of our communications strategy to be implemented by November 18<sup>th</sup>, when we project issuance of our draft UIC permits and proposed aquifer exemption decision for public review and comment.

The first attachment shows all revisions and comments received from OCPI, ORC, OPRA, OWP, EPR, and OGWDW. The second shows no revisions or comments.
